

The Office of the Secretary of the Environment in cooperation with the US Environmental Protection Agency, Region 6 is offering water quality training using standard operating procedures of the Oklahoma Water Resources Board and Oklahoma Conservation Commission. The primary objective of the seminar/workshop is to provide comprehensive water quality monitoring training for tribal environmental staff. The secondary objective is to provide the opportunity for those attending the training to interact with state agency environmental staff as well as staff from other tribal governments.

**The first of this series of workshops is:**

**Class I—Basic Water Quality**

**July 12 & 13, 2006**

**The Oklahoma History Center**

**2401 North Laird**

**Oklahoma City, OK.**

<http://www.oklahomahistorycenter.org/>

This is a basic water quality course ideal for those that have a limited background in biological/environmental sciences. It will provide an understanding of watersheds; an introduction to pollutants; and an overview of stream, lake, reservoir, groundwater, and wetland health.

Registration Cost: \$20.00

Registration Deadline: July 3, 2006

Lodging: Attendees are responsible for their own lodging. For convenience, a block of rooms has been reserved at the Comfort Inn @ Founders Tower, 5704 Mostellar Dr. (off N.W. Expressway), Oklahoma City at the basic rate of \$67.00. Rooms will be held until July 1. Call 405/810-1100 and ask for block of rooms under "Water Quality Training" to make a reservation.

An agenda and registration form follow.

**Sponsored by the Office of the Secretary of the Environment  
In cooperation with  
Oklahoma Conservation Commission  
Oklahoma Water Resources Board  
Funding provided through a Cooperative Agreement with  
U.S. Environmental Protection Agency, Region 6**
